Memo of Understanding (MoU)

Developing a strategic partnership with industrial and academic firms is one of Energy Expertise Academy objectives set by its leadership to achieve superiority over competitors, by networking with the technology providers, we will be able to provide our customers with the capability to train their workforce with top notch industrial expertise that meet their operational challenges.

To achieve the above strategy, Esri Turkey and Energy Expertise Academy concluded a memorandum of understanding (MoU) which states the following:

- This partnership is concluded between the two parties due to the confidence of each party in the professional level enjoyed by the other party, which will contribute to the development of high value training programs.
- Esri will provide its technical support during the trainings, including qualified instructors and application platform, the terms and conditions of which will be determined in other future contracts. Technical requirements will be determined case by case in the bases of bilateral benefits of both parties.
- Energy Expertise Academy is committed to recruit trainees from industrial firms from outside Turkey.
- Financial obligations will be determined case by case in the bases of bilateral benefits of both parties.
- The validity period of this document is 1 year from the date of signature.

Mutabakat Zaptı (MZ)

Endüstriyel ve akademik şirketler ile stratejik ortaklık geliştirmek, Energy Expertise Academy'nin liderlerin tarafından rakiplerine karşı üstünlik elde etmek için konduğu hedeflerden biridir. Teknoloji sağlayıcılarıyla ağ kurarak müşterilerinin, operasyonel zorluklarının üstesinden gelebilmek birinci sınıf endüstriyel uzmanlık ile işgücünü eğitilme kapasitesi sağlayabilmektir.

Yukarıdaki stratejiye ulaşabilmek için Esri Türkiye ve Energy Expertise Academy aşağıdaki beyanlarda bulunan bir mutabakat zaptı (MZ) imza etmişlerdir:

- Bu ortaklık, yüksek değere sahip eğitim programlarının geliştirilmesine katkıda bulunacak şekilde her bir tarafın diğer tarafın profesyonel seviyesine olan güveninden dolayı iki taraf arasında gerçekleştirilmiştir.
- İleride yapılacak diğer sözleşmelerde partiler ve talep edilen belgelerin üzere Esri, ArcGIS alanında kaliteli eğitimler ve uygulama platformu da dahil olacak şekilde eğitimler konusunda teknik destek sağlayacaktır. Teknik gereksinimler her iki tarafın da karşılıklı menfaatleri temelinde duruma göre kararlaştırılacaktır.
- Energy Expertise Academy, Türkiye dışındaki endüstriyel şirketlerden aday katılımcıları bulmaya kendini adanmıştır.
- Finansal yükümlülükler, her iki tarafın da karşılıklı menfaatleri temelinde duruma göre kararlaştırılacaktır.
- Bu belgenin geçerlilik süresi imza tarihinden itibaren 1 yıldır.
